

Jacky Lin

North East, MD | 443-678-2565 | jackylin5451@yahoo.com | [LinkedIn](#) | [GitHub](#)

SUMMARY: Customer-focused technology professional with 10 years of experience in customer service, operations, and team support. Combines strong communication and problem-solving skills with a background in web development, UX design, and technology to create positive customer experiences and help people find solutions that meet their needs.

EDUCATION:

Master of Science in Human-Computer Interaction
University of Maryland, College Park, MD

May 2026
Cumulative GPA: 3.97

Bachelor of Science in Information Science
University of Maryland, College Park, MD

May 2022
Cumulative GPA: 3.72

SKILLS:

- **Computer/Programming:** CSS, HTML, Python, C++, JavaScript, SQL, R
- **Software:** Google Sheets, Jupyter Notebooks, MySQL, Visual Studio Code
- **UX/UI skills:** Canva, Figma, User Experience Research, Visual Design

TECHNICAL PROJECTS:

NASCAR Website

October 2024 - December 2024

- Built a NASCAR statistics website from scratch on Glitch using HTML, CSS, and JavaScript to help the user view driver statistics.
- Utilize Figma to create prototypes and versions of the final product. Stored the data on Glitch-provided servers and turned it into a JSON file.

ELWG Website, Integrated Capstone for Information Science, UMD

January 2022 - May 2022

- Collaborated with 4 classmates on a Capstone project to develop a website using GitHub, Figma, and programming languages (HTML, CSS, JavaScript). Scoped out the requirements necessary to complete the project with a client.

Movies Database, Dynamic Web Applications, UMD

September 2021 - December 2021

- Programmed a movie database with my teammates using GitHub and Visual Studio Code to improve search results for movies, actors/actresses, ratings, etc.
- Utilized SQL to store and query the data in our database to allow users to access the information.

PROFESSIONAL EXPERIENCE:

Assistant Manager, China Star, Perryville, MD

July 2014 - Present

- Handled daily orders and payments, verified accurate delivery, and resolved customer inquiries and complaints, supporting smooth service across high-volume shifts.
- Managed inventory tracking, financial tasks, and technology updates for restaurant operations, improving workflow efficiency by an estimated 20–25%.
- Saved 80-85% of the manager's time on ordering supplies and financial management (sales and budgets).

Event Planner (Internal), UXTerps, UMD

August 2025 - Present

- Contributed to setting up events and internal preparations; Saved 75-80% of time prepping for events.
- Supported the event leader in creating registration forms for 3 events; contributed to setting up the internship panel event by handing out flyers and assisting with the check-in process.

Member, Graduate Student Advisory Council, UMD

June 2025 - Present

- Advocated for graduate student needs by promoting 3+ initiatives aimed at strengthening campus resources, engagement, and overall community experience.
- Presented key concerns related to international fees, student relations, and internships/jobs during council discussions, helping elevate 3 priority issues for review.
